Birds of Richmond County, GA Aiken County, SC Augusta-Aiken Audubon Society

2018

This folder lists all of the birds ever observed in this area, along with seasonal status for each species. Codes used are as follows:

A Abundant : may be seen daily in suitable habitat and season, in relatively large numbers

C Common may be seen daily in suitable habitat and season, but not in large numbers

U Uncommon may be seen in appropriate season and habitat though not yearly

R Rare Seen repeatedly but not necessarily every year

X Accidental out of range

Sp March – May

Su June – August

F September – November

W December – February

Bird status is constantly changing as more field data is gathered. If you see a species marked with an R or X, or not recorded in a particular season, we would appreciate a report of the sighting. Information should be reported to:
