

Birding for Silver Bluff FUNdraiser

April 24th, 2021

What: Birding for Silver Bluff FUNdraiser

Why: Birding is fun! Silver Bluff is a great place to **visit and support**. Help Brandon meet his Fund-raising Goals for 2021!

Who: **Anyone** may participate by birding, donating, or both!

Where: Bird anywhere in South Carolina or Georgia. Please submit your planned birding locations to Eric Monaco at ericmonacophotography@gmail.com to ensure coverage of popular areas.

When and How: The count will be held on April 24, 2021 from midnight to midnight. Both seen and heard birds are countable. Observations should be documented on eBird with an email of the submitted eBird lists to Eric Monaco at ericmonacophotography@gmail.com no later than May 2, 2021. A list of the total species observed will be issued by May 8, 2021.

Individuals shall use Covid-19 protocols while birding. Pledges may be made at a set amount or on a per species basis. We anticipate finding 150-200 species. Feel free to solicit sponsors from anyone and everyone: family, friends, colleagues, etc.

Silver Bluff is a non-profit 501c(3), and we are responsible for raising our own funds so every donation is deeply appreciated and vital to the protection of birds in South Carolina. All contributions are tax deductible.
